COURSE DETAILS

■ Prerequisites

- ◆ **CEFR B2 or above recommended.** You can follow fast natural speech on familiar topics, read longer articles, argue a point, and write a structured paragraph without much help.
- ◆ New to our program? Ask your teacher for the program's **placement test** first. Learners placing at B2, C1, or C2 are ready for this course.
- ◆ Placed at B1 or below, or at B2 with a large gap to your target band? Build your general English first with **Confident English (B2)** or **Advanced English (C1)**. Exam technique works best on a solid base.
- ◆ No computer needed in class. A phone or computer helps for homework and for recording speaking practice, but it isn't required.

■ What's Provided

- ◆ A **Student Workbook** for all 12 lessons, with original passages, charts, prompts, and cue cards (the learner keeps it)
- ◆ A **welcome handout** (timed-practice etiquette, test-anxiety tips, honest band expectations, QR codes to the online lessons) and a one-page **band tracker**
- ◆ For the teacher: a **Teacher's Guide** (a 90-minute plan for every class), slides, listening scripts, cue cards, games, the diagnostic, two practice tests, and answer keys
- ◆ Free access to the companion online course: **IELTS Academic Preparation**, with  audio
- ◆ A free **learning-tools** page that shows how to translate lessons into any language

■ Assessment

- ◆ **Every class:** timed practice, self-marking, and an “I can...” checklist, with no grades
- ◆ **Class 1 • Diagnostic:** short Listening and Reading sections, a writing sample, and a 3-minute speaking sample
- ◆ **Class 8 • Practice Test 1:** timed Listening and Reading, self-marked and converted to bands in Class 9
- ◆ **Classes 15–16 • Practice Test 2:** timed Listening and Reading, then Writing Task 1 + Task 2 (60 min) and a short individual speaking interview, followed by a band debrief
- ◆ Writing and Speaking are assessed against criteria **paraphrased from the public IELTS band descriptors**. All bands are **estimates** for planning, not official scores
- ◆ Scores are private. A gain of about half a band in eight weeks is common; bigger jumps are possible but not guaranteed

■ Homework & the Online Course

- ◆ After each class, do the matching **online lesson** at home: about **45–60 minutes**, with  Listen buttons for model sentences
- ◆ Plus one **workbook page**, 15 minutes of English every day, and one timed task each week from your band tracker plan
- ◆ Missed a class? The online lesson covers the same strategies, so you can catch up. Missed a practice test? Ask your teacher how to sit it at home, timed
- ◆ The online lessons use British spelling; the classroom materials use American English. IELTS accepts both, used consistently
