English Foundations (A1 Beginner) is a complete 12-week classroom course for adults starting English from zero: workers, parents, and newcomers, including learners who are new to the Latin alphabet. Every class is planned to the minute. It works for a trained ESL teacher and for a first-time volunteer.

WHY PROGRAMS CHOOSE IT

- **Zero prep to teach.** Every class adds up to 90 minutes: warmer, presentation, drill, controlled practice, speaking, and homework set-up. A volunteer can open the guide and teach.
- **Built for real adult classes.** Mixed first languages, mixed literacy, and adults with busy, sometimes difficult lives. Each lesson gives literacy support and stretch options. Personal-information tasks always offer a "**new identity**" card, so nobody has to share their age, family, or home country.
- **Proven communicative method.** Meaning, form, and pronunciation with concept checks, choral and individual drilling, pair work with instruction checks, and kind, delayed error correction. Good ESL practice runs through the whole course.
- **Practical English from week one.** Greetings, numbers, family, routines, the home, shopping and directions, the café, clothes and weather, and a doctor's visit: the situations newcomers face every day.
- **A free companion course.** Every lesson mirrors the free online course **English Foundations (A1)** (rays-esl.netlify.app/curriculum) with  audio on every word and dialogue. It serves as homework and review, and lets learners catch up after a missed class. A free tools page shows learners how to translate lessons into their own language.
- **A clear path forward.** The course is the first step of a complete free CEFR ladder (A1 → C2). Learners who finish move straight into **Everyday English (A2)**.
